

# Bhatti GI Consultants, P.A.

## Our Mission

At Bhatti GI we will strive to provide premier gastroenterological care by pursuing the highest standard of clinical excellence, embracing state-of-the-art technology, improving skills through continuing medical education and training, offering meaningful clinical research, and assuming leadership roles in our professional community in order to improve our patients' digestive health. We are committed to the emotional and psychological well-being of our patients and the comfort and convenience of both the patients and their families.

*A highly-specialized gastroenterology clinic, featuring the latest technology to meet your patients' needs.*

## Our Plan of Action

Our physicians and staff strive to provide outstanding medical care for all gastrointestinal needs. Our practice specializes in the diagnosis and treatment of digestive diseases involving the esophagus, stomach, small and large intestines, rectum, liver, pancreas, and biliary system. These diseases include, but are not limited to:

- gastroesophageal reflux disease
- colitis
- constipation
- diarrhea
- gallstones
- heartburn
- hepatitis
- hemorrhoids
- jaundice
- irritable bowel syndrome
- inflammatory bowel disease
- diseases of the liver

We strive to maintain a professional style of practice in which the needs of our patients and referring physicians are met in a timely, caring, and sensitive manner and to educate our patients in preventative measures to keep them and their families in good health.

## Easy & Efficient Referrals

Simply go to our website, click on the "Referring Physicians" tab, and fill in the patient information. Scan and upload any supporting chart notes and we will contact your patient directly.

You will receive quick, accurate, and concise reports of Dr. Bhatti's findings. He will also be available to speak to you regarding your patient at any time throughout the process of your referral.

## Cutting-Edge Services

We are committed to the total well-being of our patients, which is why we use the most advanced technology and procedures (ask about our micro capsule screenings), to provide quick and complete:

- colon cancer screenings
- upper and lower endoscopic ultrasounds
- EGDs
- video capsule endoscopy
- ERCPs

Dr. Bhatti also specializes in hepatology and can assist you with any biopsies if needed.

## Convenient Clinic Care

We perform the majority of our procedures right here in our Chaska clinic, so your patients pay less to stay healthy and return to you happy and grateful for the referral.

## Prominent Hospital Affiliations

By securing privileges at a few of the area's finest hospitals, we ensure your patients receive the highest level of care even when away from our facility. These affiliations include:

- North Memorial Hospital-Robbinsdale
- Minnetonka Medical Center-Minnetonka

## Ahsan M. Bhatti, MD, FACP

For more than 20 years, Dr. Bhatti has been providing the highest quality care at a cost patients can easily afford. Serving the Willmar, MN, area for the last 12 years on staff and as Chief of Gastroenterology, as well as member of Willmar Medical Services Board of Directors, Dr. Bhatti is excited to become active in the Chaska community by contributing to the health and well-being of patients in the area.

## Schedule Now

We are currently accepting appointments. Feel free to refer a patient using our website or by simply calling our office. Our highly-trained and friendly staff will work with your patient to find an appointment that best suits their needs. At Bhatti GI, we look forward to serving you and your patients.
